

Thank you

... to Isaac Callahan, Kayla Gardner and the staff of the USCA Etherredge Center for all their work to make this concert possible.

... to the ACB Board members who have gone above and beyond all year to ensure our band runs smoothly.

... to Jay Rising and the clarinet ensemble for the prelude music in the lobby before tonight's concert.

... to USCA students Sara Wittenborn and Sydney Boatwright for all their assistance with music and equipment.

... to the students who volunteered to provide off-stage percussion for our performance of *Inchon*: Adriana Bacon, Laci Oswald, Ansleigh Tudder, Cara Williams, James Wittenborn.

... to all the members of the band that come together each week to make music with each other. Their faithfulness has grown the band from 50 to over 80 active players.

... to the audience for attending our concert and supporting the Aiken Concert Band.
